9th Wave of Unity Consciousness

According to the ancient Maya, the creation of the Universe is affected by nine energetic waves. With each wave in the Mayan Calendar, a shift in consciousness occurs. March 9th, 2011 marks the beginning of the 9th wave! This 9th wave will bring about Unity Consciousness and the ascension of Mother Earth.

Both the Mayans and the Hopis believe this 9th wave will bring the entire Universe and all humanity to higher states of consciousness. We will be faced with an opportunity to move into unity together, a process of transformation, a new beginning, a new way of life. This is the time where human evolution speeds up tremendously, and makes a jump into a new level of awareness. We become something greater than what is now called human.

These energetic shifts will open to us on March 9th and increasingly climb, raising the vibrational frequency of all life forms on the planet. This process of transformation will not end. It will continue to October 28, 2011 and beyond. As these energies manifest fully, we must set our intentions and align ourselves with the Divine Plan. This newly created energy will allow us as humans to co-create Unity Consciousness with the Divine!

As we adapt to the new frequency, a shift occurs, from a self-centered perspective to one of participation in the greater good of all humanity; one where we'll be asking ourselves, what can we do to serve in the Divine plan. A complete shift in our way of being and interacting will result as we begin manifesting unity consciousness.

The 9th Wave is all about co-creating harmony on the planet with Mother Earth, God, Nature and the Universe. We will begin to see each other as ourselves, for we are all ONE, there is no separation. Every single thought, word, feeling or action we express affects all other life forms. We will remember that all Life is interconnected, interdependent, and interrelated. Once we develop Unity Consciousness, we will know that there is no such thing as "us and them."

We are responsible for the reality of the planet. The time has arrived for all of us to move beyond the consciousness of separation and duality. It is time for us to join together as one breath, one heartbeat, one voice, and one consciousness of pure Divine Love. We must acknowledge the Divinity within every heart and celebrate our diversities, moving past the illusion of things that separate us.

This is what we have been waiting for—seeing unity in all things! This shift in Unity Consciousness will stop the destruction of our precious Mother Earth. As we begin to experience unity in all things, we will then understand on a deeper level that we are all part of Creation and need to live in harmony with it.

The Mayan prophecy tells us that we will now awaken from our slumber. I invite you to become part of this celebration of all Life! Please join with me and with others from around the world as we ride the 9th wave together – as we awaken into our new reality and choose to co-create with the Divine Plan! As Grand Elder Don Alejandro of the Mayan National Council states, "We are the ones of yesterday, we are the ones of now, and we will be the ones of tomorrow!!"

Together we manifest unity consciousness. If our intentions are aligned with the greater good for all– the ultimate cosmic plan –then will co-create a reality without limitations!!! Let us celebrate!!! Go into your heart, and creatively unleash all your love

for a magnificent future! There is infinite potential. Let us manifest all that is!!!

I'd like to read a beautiful speech given by Hopi elder that so eloquently depicts our 9th Wave Celebration:

A Hopi elder speaks:

"You have been telling the people that this is the Eleventh Hour, now you must go back and tell the people that this is THE HOUR. And there are things to be considered…

Where are you living?

What are you doing?

What are your relationships?

Are you in right relation?

Where is your water?

Know your garden.

It is time to speak your Truth.

Create your community.

Be good to each other.

And do not look outside yourself for the leader."

Then he clasped his hands together, smiled, and said, "This could be a good time! There is a river flowing now very fast. It is so great and swift that there are those who will be afraid. They will try to hold on to the shore. They will feel they are being torn apart and will suffer greatly. Know the river has its destination. The elders say we must let go of the shore, push off into the middle of the river, keep our eyes open, and our heads above the water. And I say, see who is in there with you and celebrate."

"At this time in history, we are to take nothing personally, least of all, ourselves. For the moment that we do, our spiritual growth and journey comes to a halt."

"The time of the lone wolf is over. Gather yourselves! Banish the word struggle from your attitude and your vocabulary. All that we do now must be done in a sacred manner and in celebration."

"WE ARE THE ONES WE HAVE BEEN WAITING FOR!"

According to Carl Calleman, world renowned Mayan researcher, the cosmic pyramid of evolution is called Bolon Yokte Ku. Our evolution is represented by 9 different levels or waves. Each one of the waves is subdivided into 13 individual sections or time periods. There are 7 periods of light and 6 periods of dark, representing 7 days and 6 nights for each level of creation. Each day marks an increase in consciousness and each night is integrating that consciousness. Each one of these 13 days has a particular intention in creation, with Action and Reaction as the first wave of creation.

The Mayans believe the very first cycle or wave signifies the birth of the Universe occurring 16.4 billion years ago. This first wave of energy is referred to as the Cellular Cycle, where the Big Bang Theory comes into play, or what the Mayans call the hablatun. During this first level of existence, the 16.4 billion years was divided into 13 different sections or time periods with each section or day lasting 1.26 billion years. The second wave of evolution started 820 million years ago, with each day and night lasting 63.1 million years. As each subsequent level or wave occurs, the frequency in energy accelerates at such a significant rate that each cycle of evolution develops in a shorter period of time.

The ninth and highest wave of the Bolon Yokte Ku was activated on March 9, 2011. This final cycle of the Mayan Calendar is referred to as the wave of Universal Co-Creation, propelling a process of evolution designed to lead the Universe and

humanity to our highest state of consciousness. Since the frequency and energy is increasing at such a substantial rate, the 9th wave will last only 234 days, fully manifesting on October 28, 2011. This process of transformation will continue to 2012 beyond!

This information comes from the research and wisdom of: Scientist Carl Calleman, Grand Elder Don Alejandro of the Mayan National Council, Author and Spiritual Teacher Drunvalo Melchizedek and an unnamed Hopi Elder from the Hopi Nation.
